Custom-built in 2022 by Hudson River Homes, this three-bedroom modern residence sits privately on 3.47 acres, with a distinctive butterfly roofline and 2,340 square feet of light-filled living space designed around a carbon-minded, low-impact ethos. Eighteen-foot ceilings and a wall of floor-to-ceiling windows open the main level to the landscape, framing views from nearly every room. Solid white oak floors run throughout, and radiant heat on both levels keeps the house comfortable through every season. A gas fireplace -- convertible to wood-burning -- anchors the living and family rooms, and the kitchen is built for gathering, outfitted with Mod cabinetry, quartzite counters, stainless appliances, a farmhouse sink, built-in wine fridge, and an oversized breakfast bar.The main level holds the open kitchen, dining, living, and family rooms alongside a private office and a half bath. A glass-framed stairwell descends to three bedrooms and a flexible room that works as a home gym, second office, or playroom. The primary suite and the larger guest room open through sliding glass doors onto an oversized mahogany deck; the second guest room looks onto the deck through a wall of windows. Every lower-level room is fitted with custom blackout shades. The primary suite includes a custom walk-in closet and a spa bath with a freestanding soaking tub, walk-in shower with designer tile, and double vanity; the two secondary bedrooms share a full bath. Outside: a saltwater hot tub and a detached garage pre-wired with separate electric service and a radiant-heat hookup. Set on a quiet, wooded street, with a fire pit and full landscaping tying the house to its surroundings -- a modern home built to disappear into the trees. Designed for low maintenance and high efficiency, the home features a standing seam metal roof, durable Hardie board siding, and extensive hand-laid bluestone patios and walkways, all beautifully enhanced by sensor-activated lighting that softly illuminates the property at twilight. Ideally located just 90 minutes from Metro New York, this exceptional property offers convenient access to the very best of the Hudson Valley--just minutes from Mohonk Preserve, Inness Resort, the O&W Rail Trail, charming shops, restaurants and so much more. ** Please see additional information in associated docs along with twilight video**
