Kingston, NY 12401
For Sale: \$359,000

Type:	Single Family
MLS#:	20205268
Square Footage:	2,187
Taxes:	\$5,948
Year Built:	1923

The heart of the city. This large city home is currently being used as a one family 5 bedroom home but is a legal 2 unit. The home has an inviting enclosed porch that leads to the main foyer. The main level has a large living room and formal dining room, 1 bedroom, modern kitchen and playroom which can also be used as a bedroom, and full bathroom with tub and separate shower with toilet and bidet. The beautiful original mahogany staircase takes you to the upper level offering 3 bedrooms, 1 full bath with toilet and bidet and kitchen area with cabinets, stove hook up and working sink currently begin used as a craft room/office. The large walk up attic is accessed from the second story and offers plenty of storage space and head room. The home has a full basement for utilities and laundry area which is accessible from the first floor level as well as from a third side entrance for maintenance. The large exterior rear covered deck is perfect for entertaining. Need garage space? This home has a 4 car detached garage in the rear of the home perfect for car enthusiasts or those with motor toys. The home is move in ready and was completely renovated with new electric, plumbing, heating, air, windows, roof flooring and more less than 7 years ago. This home is a legal 2 unit and with minor adjustments can be converted back for those that want to add income or use as an income producing property. Broker is related to Seller
