This expansive two-story home offers 3,100+ square feet of thoughtfully designed living space, blending rustic warmth with modern comfort and exceptional flexibility. Sun-filled, open-concept living areas create an effortless flow throughout the main level, with generous space for relaxing and entertaining. Gather around the impressive focal-point fireplace in the main living room on crisp Hudson Valley evenings, or take advantage of the flexible floor plan with plenty of room for a large household, visiting guests, or dedicated work-from-home spaces. A major highlight is the completely self-contained accessory apartment, featuring its own private entrance, kitchen, laundry, and bathroom. A beautiful fenced organic garden with raised beds offers space to grow your own flowers or vegetables, while a nearby organic honey-bee apiary with four hives adds a unique connection to the surrounding landscape. The screened-in porch is a peaceful spot for morning coffee, summer dinners, or relaxing evenings while taking in the tranquil natural setting. For an added touch of relaxation, warm up in the seasonal infrared sauna. Enjoy the best of both worlds: the privacy and serenity of country living with easy access to the vibrant restaurants, shops, galleries, and culture of Saugerties and Woodstock, both just approximately 10 minutes away by car.
