Bohemian artists wanted ; buy this home and let your creativity run wild! This true fixer-upper is a blank canvas waiting for your vision and flair. Nestled on the prestigious and exclusive High Falls Road, you'll be close to Saugerties Village and the Thruway, with Catskill Village just a short drive away. The home needs a full renovation and some yard and garden cleanup, but it has great bones and sits on a large, flat property that was once an old rock quarry. A small stream runs along the back, adding to its natural charm. With 200-amp electric service and a newer septic system (installed 5 years ago), the essentials are already in place. This is the inspiring project you've been waiting for: a chance to create something truly special and transform your life in the process!
