Get ready to fall in love with this immaculately kept private Woodstock compound. Designed by local award-winning architectural firm Walker Architecture and inspired by the works of Mies van der Rohe, Richard Neutra, and Philip Johnson this home blends seamlessly into its serene surroundings with simplicity and sophistication. The natural materials, earth tones, and flowing water from the creek below place you in direct contact with nature wherever you are on this property. Sleek form meets energy-efficient function in this 4 bed 3.5 bath home, with solar panels, zoned radiant floor heat and central forced air heat & A/C and whole house generator. Inside, there are custom-dyed wide hickory floors and ceilings, floor-to-ceiling custom Anderson Eagle windows and wood burning fireplace. High-end fixtures and appliances include Flos lighting, Catellani & Smith chandelier, Rimadesio glass doors, a Valcucine kitchen, Miele appliances, SMEG stovetop, Agape master bath and Duravit toilet system. Outside, recent additions include a heated infinity pool and stainless steel hot tub, a pool/billiards room with enclosed deck situated within a canopy of pine woods, a custom-built woodworking studio/gym with heated floors, & A/C. With a three room guest house, groomed wooded acres, majestic towering old wood pine and hardwoods, a year-round flowing stream, natural rock outcroppings, established landscaped gardens, and a fully fenced organic flower and vegetable garden - this home is what dreams are made of.
