Experience peace and serenity with this spacious and airy 4-bedroom, 3-bath home, offering nearly 3,000 square feet of living space in a tranquil, private setting with breathtaking backyard mountain views. The home features unique handcrafted woodwork, a stunning fireplace, vaulted ceilings, an abundance of windows and skylights, exposed beams, and several updates. Whether you're in search of a weekend retreat or a full-time residence, this property is the perfect fit and just a short drive to the village of Woodstock. The open yet divided main floor plan provides fantastic entertaining options and cozy areas to unwind. The living room fireplace is a beloved focal point for the current owners. The ground-floor primary suite includes an updated bath, dual walk-in closets, and its own access to the back yard. Additionally, the first floor offers a second bedroom and full bath, along with a bonus flex room with a separate entrance off the garage – a versatile space for a home office, music studio, rec room, or whatever you can imagine. On the second floor, you'll find 2 more bedrooms (one with its own new balcony) and a shared full bath. The screened-in porch and new back deck with covered and open areas provide the perfect spots to relax and take in the surroundings. Outdoor amenities include deer fencing, a fire pit, outdoor stone fireplace, and a tree house, offering plenty of opportunities for play, entertainment, relaxation, and enjoyment. It will be a great summer here in Woodstock!
