This charming home sits perched on a hill in the village of Saugerties, just a stones throw away from all that the Village has to offer. This home needs a bit of TLC, but could easily be reimagined into the stunning home it once was. The restaurants and shopping are only a block away, yet it is set on nearly an acre of partially wooded land, surrounded by state owned land with no neighbors besides or behind to give you a sense of peace and quiet. This Colonial offers an open floor plan to the living and dining areas, with vaulted ceilings and exposed beams. The primary bedroom is on the first floor with its own private bathroom and the 2 addition bedrooms are on the second floor. This home has a finished basement with a separate entrance in the rear of the home, additional bedroom and a full bath, perfect to host your weekend guests. The spacious fenced-in back yard is ready for those relaxing nights under the stars with a pergola and fire pit. The side yard is already set up with a wire fenced area for a large vegetable or flower garden. Just down the road, you will find the picturesque Saugerties Lighthouse.
