

689 Albany Post Road
New Paltz, NY 12561
For Sale: \$2,900

Type:	Rental
MLS#:	6327910
Square Footage:	1,000
Year Built:	1928

Move in this Fall in a cozy cottage built in 1928 located right on the Walkkill River, between the towns of New Paltz and Gardiner, giving you access to all the bounties of the Hudson Valley. Surrounding the area are natural attractions like the Shawangunk Mountains, which provide opportunities for outdoor activities such as hiking, climbing, and sightseeing. The location is also close to local shops, restaurants, and cultural sites. 2 bedrooms, one bathroom, one acre property with lots of areas for strolling and watching wildlife by the river. Price includes semi-furnished house, heat and hot water, snow removal and lawn maintenance, trash. There is a wood burning stove in the house, an outdoor fire pit, and multiple outdoor seating areas. The house itself is heated by both electric baseboards + an oil tank. A mini split for A/C. There is a small cabin on the property that owners might periodically use for personal purposes. The house is located close to/on the road - but once you come to the back, you're rewarded with an oasis of nature and beauty.
