Price Drop Alert! The Hudson Valley Split Level You Are Looking For. - 853 Lucas Avenue Set gracefully amidst a serene backdrop of mature trees and a stately rock ridge, 853 Lucas Avenue redefines the traditional split-level ranch with a harmonious blend of contemporary elegance and expansive outdoor living. From the moment you step inside, you're welcomed by an airy, open-concept living and dining area awash with natural light. The spacious floor plan flows seamlessly from the living room through the kitchen and dining area, and onward to the inviting screened porch, making it the perfect setting for both entertaining and intimate family moments. The heart of the home, the kitchen, is outfitted with stainless steel appliances, including a wine fridge and downdraft induction cooktop. It is designed to inspire and facilitate the joys of cooking, especially with the bounty of the Hudson Valley at your fingertips. Butcher block countertops, and farmhouse sink elevate the space, creating a functional yet aesthetically pleasing environment that encourages gatherings and gourmet explorations. The primary suite serves as a serene retreat, offering a spacious bedroom with an ensuite bath. The bathroom features a beautifully tiled stand-up shower and is meticulously designed to promote relaxation and rejuvenation. The windows throughout the home frame picturesque views, allowing the beauty of the natural surroundings to permeate the interior. Two additional bedrooms, a full bath, and a utility room complete the main floor, providing ample space and convenience for family and guests alike. Venture outside, and you'll find that the allure of this property extends beyond its walls. The backyard beckons with a cozy fire pit, perfect for starry nights and conversations that linger into the evening. Spread across 3 acres, the grounds feature a charming rock outcropping and a tranquil small pond, offering a private oasis where you can reconnect with nature. Low-maintenance perennials provide a vibrant, ever-changing palette of colors throughout the year, enhancing the property's serene ambiance. With nearly all major systems updated, including a new roof and ductless heat pumps, 853 Lucas Avenue is truly move-in ready. The finished lower level provides additional flexibility, whether you envision it as a home office, studio, or extra living area. The attached two-car garage, complete with loft space, ensures ample storage, making it easy to keep everything organized and accessible. Located just minutes from the vibrant heart of Kingston, this property offers the ideal balance of convenience and seclusion. Enjoy the eclectic mix of shops, restaurants, and cultural activities the town has to offer, while retreating to your own private sanctuary at day's end. Here, you'll find the peace and quiet of nature at your doorstep, with the space to breathe and the freedom to live as you choose. 853 Lucas Avenue is more than just a house—it's a modern sanctuary where thoughtful design meets the natural beauty of the Hudson Valley; a place where you can slow down, savor life's simple pleasures, and create lasting memories. This is the home that complements your lifestyle, ready to welcome you with open arms.
