Views, views, views! Welcome home to this beautifully maintained split-level retreat, perfectly set off the road and nestled on a generous 1.50-acre lot. This home offers the perfect blend of space, comfort, and privacy, with 4 bedrooms and 3.5 baths to accommodate your lifestyle. Upon entering, you're welcomed by a bright, spacious foyer that seamlessly connects the living room, dining area, and kitchen, creating an inviting flow. From here, you can ascend to the upper level or head downstairs to additional living areas, providing flexibility for relaxation, work, or play. The heart of the home—the kitchen—is bathed in natural light, a breakfast bar, stainless steel appliances and sliding glass doors that provide outside access. These doors open to an oversized yard, where you'll find a spacious deck perfect for entertaining, and an inground pool ready for summer fun. With plenty of room to roam, the outdoor space is as impressive as the interior. Upstairs, you'll find all four bedrooms, thoughtfully designed to provide both comfort and functionality. The primary suite is a true retreat, featuring a tiled shower and a walk-in closet with built-in shelving for effortless organization. The additional bedrooms are generously sized, each offering ample closet space to meet your storage needs. A secondary bathroom on this level includes a double sink and a large shower with a tub, perfect for family or guests. Venture to the lower level where you'll find a cozy den, a full bath, and a dedicated washer/dryer area, making laundry days a breeze. Step outside to the covered porch, an outdoor haven designed for convenience and relaxation. With a half bath just steps away, entertaining or enjoying outdoor activities has never been easier. Whether you're hosting a summer barbecue, relaxing poolside, or soaking in the peaceful surroundings, this space truly completes the home. This property offers a perfect balance of indoor and outdoor living along with beautiful views of the Hudson River. The attached two-car garage not only provides convenience but also extra room for tools, gear, or hobbies. In addition, there's an outdoor pool shed with electric for stashing away pool supplies and seasonal essentials. To top it off, a detached smaller garage offers a dedicated space for your winter toys. For all your storage needs, this property truly delivers! The driveway & carport ensure ample parking space for multiple vehicles, making hosting gatherings or accommodating family cars effortless. Whether you're looking for practicality or convenience, this home has it all covered. Don't miss the added perk of a deeded right-of-way that leads directly down to the Hudson River! With just a bit of clearing, this pathway could transform into your access point to enjoy waterfront activities. Conveniently located minutes away from Rhinebeck/ Red hook, Amtrak train station, Kingston, Woodstock and NYS Thruway, come take a look! Updates include; new deck, well pump, water treatment system, pool liner , septic pumped, interior freshly painted, new windows/ sliders (2024) roof (2022) Split unit installed (2021)
