A classic, modern farmhouse on five acres in the Rhinebeck School District with a pond, perennial gardens, and a beautiful, sprawling backyard all on a dead end road. Newly constructed in 2022, the 4,000+ square foot home is perfectly executed. The interiors feel both luxurious and practical with wideboard white oak floors throughout and a vaulted 17ft ceiling in the main living space. There is a gas fireplace anchoring the room and the open kitchen features an extra large Liebherr refrigerator, a double oven, coffee station and a farmhouse sink. There is a separate, spacious pantry with additional shelving, cabinetry & wine fridge, and a powder room off to the side. You'll find three bedrooms on the first floor. The primary suite sits at the far end of the home, large with sliding doors out to a private balcony and hot tub. There are two custom-built walk-in closets, and the bathroom features double vanities, radiant heated floors and a soaking tub. On the opposite end of the home you'll find two additional bedrooms connected by a jack-and-jill bath. A beautiful office and dining room complete the first floor. Upstairs you'll find a large, welcoming sitting area currently used as a play room, an additional bedroom and a full bath, as well as a flex space which the current owners use as additional sleeping quarters. The 2,500+ square foot basement has wonderfully high ceilings and is unfinished but very usable, currently utilized as a gym, and there is an attached two car garage. A large screened in porch overlooks the backyard and woods beyond. There are garden beds ready for when the weather turns, and an irrigation system installed to keep the flowers flourishing throughout the summer. The home sits in a neighborhood setting amongst other homes of a similar aesthetic. 11 Crimson Hill is a wonderful turnkey option just minutes to Rhinebeck village and Amtrak, perfect for year round or weekend living.
