Farmhouse Charm in the Heart of Kingston! Can it be true? A classic farmhouse with a welcoming rocking chair front porch and a barn in the City of Kingston? Yes, it can—and this property is simply amazing! Lovingly maintained by the same family for many years, this home offers a seamless blend of charm and modern convenience, with updates galore. This legal two-family home features two spacious apartments, each boasting 2 bedrooms and 2 full bathrooms (with ensuite options!). The first-floor unit offers a sunlit, open living room, dining room, and kitchen. The kitchen is thoughtfully designed with a tiled backsplash, solid wood cabinets, a refrigerator, electric range, and stackable washer/dryer. Upstairs, the second-floor unit shines with wide-plank pine floors flowing through the living room, dining room, and kitchen. The kitchen is a chef's dream, complete with quartz countertops, an apron-front sink, a Jenn-Air 6-burner gas range, butcher block island, dishwasher, pantry, and full-sized stacked washer/dryer. Central air ensures comfort on warm summer days. Both units feature generously sized bedrooms and ample closet space. But the charm doesn't stop there! Outside, the barn opens up a world of possibilities—whether you're dreaming of a studio, workshop, or extra storage. Plus, the grape arbor, which has thrived for decades, yields abundant fruit perfect for making wine or jelly. This unique home is a rare find and a true delight to show. Don't miss this incredible opportunity!
