Just minutes from the heart of Stone Ridge, this charming 4-bedroom, 3-bath Cape-style home is nestled on 2.33 peaceful acres. With just under 3,000 square feet of living space, the versatile layout offers endless possibilities to suit your lifestyle. Originally built in 1960, this custom-designed home was inspired by the elegance of a Southern ranch, featuring hardwood floors throughout and built-ins that beautifully frame the living room fireplace. Recent upgrades have enhanced the home's charm, including a brand-new kitchen with stunning country-style cabinetry, sleek stainless steel appliances, an apron-front sink, and exquisite countertops. The first floor boasts two bedrooms, one of which serves as the primary suite, complete with a fully remodeled en-suite bath featuring heated floors. A formal dining room with direct access to the back deck overlooks the picturesque yard, where wildlife frequently roams. The main level also includes a full hall bath, a cozy den/family room, and the convenience of one-level living. Upstairs, you'll find two additional bedrooms and loft space, perfect for a home office, playroom, or gym. The home also comes with fully owned solar panels for energy efficiency. With so much to offer, this property is truly a must-see to appreciate its beauty and charm.
