Welcome to your Upstate sanctuary—nearly 5,000 square feet of living space set on just under 20 secluded acres, surrounded by nature yet only minutes from the vibrant downtowns of New Paltz, Rosendale, Stone Ridge, and the Mohonk Preserve. The home opens into a sun-drenched foyer with multiple lounging nooks, setting the tone for a light-filled, welcoming interior. At the heart of the home is a spacious open-concept living area where the kitchen, dining, and gathering spaces seamlessly flow together—perfect for entertaining or simply enjoying the everyday pace of country life. A dedicated coffee nook and cocktail bar elevate the experience, while the adjacent oversized recreation room offers space to unwind, complete with a sunken indoor hot tub and plenty of room for games, movie nights, or larger gatherings. The primary suite on this level features generous space, a private half bath, and direct access to the back deck, making it a peaceful retreat of its own. Nearby, there's also a room ideal for a home office or guest bedroom, plus a full bathroom and spacious laundry/pantry area. Upstairs, two additional bedrooms offer privacy, natural light, and views of the surrounding countryside, served by a second full bath with modern finishes. Outside, a luxurious saltwater pool is surrounded by a multi-level wraparound deck designed for easy indoor-outdoor living. Lounge in the sun, host al fresco meals, or take in the landscape from the stone patio, which features a grilling area and outdoor dining setup. Top it off with a wonderful firepit on the expansive front lawn for cozy nights under the stars. A flowing stream winds through the rear of the property, continuing to the Wallkill River, which the land abuts—adding both natural beauty and a sense of peaceful seclusion. The property includes two garage structures—a detached garage and a second detached outbuilding that also functions as a two-car garage or workshop—offering plenty of storage and flexibility. Additional features include a whole-house generator, high-speed internet and cable service (professionally installed in 2021), and a circular driveway that welcomes you home. Pool liner and pool filter are both new. Whether you're looking for a private full-time residence, a weekend getaway, or an income-generating opportunity, this Hudson Valley retreat blends space, serenity, and style in one extraordinary setting.
