Square Footage:	1,344
Year Built:	1973

We are pleased to present a high-grade value for all potential home buyers! If you are looking for a home that can be used for year-round living or as a seasonal retreat than this home checks all criteria. Here you have a contemporary home that offers great outdoor lighting and provides peaceful window views all throughout the property! Let's take a journey throughout the home, as it sits within a wooded tranquil setting... With a sleek modern design, you have an open floor plan kitchen that contains all new high-grade appliances and provides an open walkthrough to a well-lit dining room. When moving to the living room area, you will encounter high vaulted ceilings and a peaceful fireplace, great for relaxation and tranquility. Upon moving upstairs to floors two and three, you will encounter two separate bedrooms and a den that are well sized, clean, and offer their own separate outdoor balconies. There are so many options to use the bedrooms/den. With respect to bathrooms, you have two full sized spaces that offer modern finishes and a beautiful sleek design. In terms of actual land the property features 3.55 acres, and a shared community swimming pond. This home is located in Willow NY, which is in close proximity to the Woodstock NY and Kingston NY area. The location of the home provides a perfect setting for the new owner to be secluded, but to also be close enough to all major highways, stores, and resources that the Hudson Valley has to offer!! Rarely do properties like this one go on sale, come discover your best kept secret and price value to modern relaxation in the Hudson Valley!
