Discover the perfect blend of comfort, creativity, and seclusion in this charming 3-bedroom, 2-bath home nestled on almost 3 acres of varied landscape—meadows, wooded areas, striking rock outcroppings, and breathtaking mountain views. Whether you're seeking a full-time residence or a weekend escape, this property offers a unique mix of relaxation and opportunity. Step inside to a warm and inviting interior that opens to outdoor living at its best—with a hot tub and built-in bar ideal for unwinding or entertaining under the stars. The long, paved driveway leads you to a private setting, buffered from the world and surrounded by nature. For those with vision, the large, high-ceilinged outbuildings constructed with heavy I-beams offer incredible flexibility—use them as workshops, artist studios, or a live/work space filled with natural light. The possibilities are endless. An above-ground pool (currently covered) adds to the versatility—keep it as a summer escape or convert it into a greenhouse for year-round gardening. A rare find where nature, privacy, and creative potential come together. Located in between Woodstock & Phoenicia where you'll find world renowned spas, restaurants, cafes and shoppes. Come see the possibilities this mountain sanctuary holds.
