Hurley, NY 12401

For Sale: \$824,000

Type: Single Family MLS#: 850083
Square Footage: 2,240

Year Built: 1987

Tucked away on a quiet private road, this exceptional property offers a rare blend of privacy, style, and resort-like amenities—all just minutes from Woodstock and the best of the Catskills. At the heart of this beautifully updated home is a truly remarkable feature: a 40x60 indoor pool and sauna, creating an all-season sanctuary that's as perfect for quiet morning swims as it is for unforgettable gatherings with friends and family. The home's light-filled interior offers generous space and flow, with three spacious bedrooms, three full bathrooms—including one in the finished lower level—and a flexible bonus room currently serving as a fourth bedroom. A striking fireplace anchors the main living area, adding warmth and ambiance to the open-concept design. Step outside onto multiple outdoor decks that invite you to enjoy the surrounding natural beauty, or stay in and relax on the elevated pool deck, where the sound of the indoor waterfall feature completes the spa-like experience. Whether you're searching for a full-time residence or a serene second home, this rare gem delivers a lifestyle of comfort, wellness, and peace. With easy access to the NYS Thruway, hiking, skiing, and the vibrant cultural scene of Woodstock, this is Hudson Valley living at its finest—and most unique.
