Tucked away on a quiet cul-de-sac just minutes from both Saugerties and Kingston, this striking contemporary multi-level is a rare find—an immaculately maintained, one-owner home that's as turn-key as they come. With nearly 3,100 square feet of living space and over 1,000 square feet of dramatic multi-level decking overlooking two huge fish-stocked ponds, it was built for entertaining and designed for comfort. The home features vaulted ceilings, generous proportions, and a layout that offers both privacy and flow. At the heart of the home is a massive granite fireplace that soars to the peak of the second-floor, serving as a breathtaking architectural centerpiece. It anchors both the main-level living room and the spacious lower-level family room, creating cozy gathering spots on both floors. Expansive glass sliding doors and large windows along the back of the home were thoughtfully designed to frame the view and provide easy access to the outdoor spaces from nearly every room. The main level also includes a newly renovated kitchen with walkout access to one of the decks—ideal for open-air dining—and a large first-floor primary suite offering accessibility. Two additional and generous bedrooms upstairs—each with soaring ceilings—feature their own private covered balconies; a perfect spot for curling up with a good book. The lower level includes a second full kitchen with walkout access to its own covered deck, a generous flex room/office (that could easily be enclosed for privacy), a family room with fireplace, and high ceilings throughout—perfect for hosting or multi-generational living. A large shed on the property currently used as a workshop also has electric and heating/cooling offering a myriad of possibilities. Additional highlights include cedar-lined closets, ample storage, and countless recent updates that make the home feel fresh and worry-free. With waterfront access, you won't even have to leave the house for the perfect kayaking spot. The property is less than 10 minutes from the center of Saugerties or Kingston, and only 15 minutes to Rhinebeck and the Rhinecliff Amtrak station—making weekend getaways or commutes to the city a breeze.
