

40 Lower Byrdcliffe Road
Woodstock, NY 12498
For Sale: \$599,000

Type:	Single Family
MLS#:	856482
Square Footage:	1,500
Year Built:	1920

Nestled in Woodstock's storied Byrdcliffe district, this charming 1920's home balances original character with modern comforts. A comprehensive renovation has brought thoughtful updates throughout, including a brand-new kitchen and baths, upgraded flooring, enhanced insulation, a new roof and a new heating system. Original stained glass windows serve as artistic focal points, honoring the home's heritage and adding timeless appeal. The main level features a formal dining room that flows effortlessly from the kitchen and living room—an ideal layout for both everyday living and entertaining. A convenient half bath completes the first floor. Upstairs, you'll find three bedrooms—including one with a walk-in closet—along with a full bath. An attic offers additional flexible space, ideal for a studio, office, or creative retreat, especially fitting in this art-inspired community. Outdoor living is equally inviting, with a welcoming front porch, a landscaped level yard, an enclosed back porch, and a practical mudroom entry. The detached garage adds versatility for use as a workshop or additional storage space. Located just a stone's throw from Woodstock's vibrant cultural scene and the iconic Byrdcliffe Art Colony, this restored gem offers a rare opportunity to live where creativity, history, and modern comfort converge.
