Year Built:	1875

5/20/2025 - A/O CTS - A charming home with a little bit of everything tucked in the lovely Rondout section of the City of Kingston. Just a short walk away from the Kingston waterfront, 2 bedroom 1.5 bathroom home includes 1,144 sf of living space as well as an enclosed front porch, finished basement and detached garage. This home was lovingly updated and checks all the boxes! After stepping through through the three season room, the main level has an open living, dining and kitchen floor plan with a decorative fireplace to add to the coziness. This well designed kitchen has many features with a perfect work triangle and includes all new stainless steel appliances, granite countertops with an island that exudes comfort and style that is adorned with an antique porch post column and stunning antique school house pendant light fixture. On the second level, there are two bedrooms with plenty of closet space, as well as a full spa like bathroom with custom carrara marble tiling with a shower designed with seating and an inset shelf for all of your pampering needs. The vanity is perfect with its marble double sink countertops. The finished basement is perfect for a home office, fitness area or play room. An unfinished attic offers plenty of additional storage. Not to be over looked is a detached garage with endless possibilities with painted tin walls and a newly poured concrete floor. This space is easily accessible and opens to a private fenced backyard with additional access along Walnut Street. Among all of these updates, there is also new foam insulation, an updated 200 amp electric service, new vinyl double hung windows, lighting, plumbing, floors and paint throughout. This home has it all - don't miss out on this opportunity to live in this quaint neighborhood surrounded by an abundance of amenities throughout the City of Kingston. Just minutes from the Kingston Point Beach and Hutton Brickyards.
