Turn key Opportunity - whether you are looking for a full time residence or second home. Often referred to as Zena Cottage by Airbnb guests, this charming home is 3 minutes to the Village of Woodstock, and a short drive to hip uptown Kingston, Rhinebeck and the NYS Thruway. 2 hrs from NYC. Set against a private wooded backdrop, this 1957 home on 1/3 of an acre has a lush lawn, spectacular perennial plantings, and a flower/herb garden. A rose arbor invites you into the adjoining sun drenched garden which has been prepped/leveled for future raised beds, greenhouse, shed, etc. and adjoins the fully fenced rear yard with a fire pit. Create your own organic garden or add a hot tub. This charming space is ready for your personal touch. Have coffee on the back deck (sunny in the morning/shaded in the afternoon for BBQ's) and enjoy the view and abundant local wildlife. The upstairs bathroom is brand new, boasting a walk in rain shower, thoughtfully selected designer marble, ceramic tile, high-end lighting fixtures and shiplap accent wall. Windows have been carefully placed for maximum privacy, sunshine and exterior views. Owners designed it to feel like the outdoors is melding with the interior. The second downstairs full bath has been tastefully curated - new tub, fixtures, and lighting. The den adjoins the living room which boasts a wood burning fireplace and oak floors. Large eat-in kitchen with adjacent dining room. French doors from dining room to the living room. The two, second-floor updated bedrooms and hall retain the original pine floors. Property has a new roof, new oil tank, landscape lighting, and upgraded 200 amp electric panel (ready for a hot tub and EV charging connections).
