Stone walls line the beautiful wooded lot, featuring rock outcroppings and glacial boulders. Walk through the woods to truly feel the magic of this land. The home, built in 1979, has electric, well, and septic system; however, the condition of all systems is unknown, as the house has been vacant for years. A driveway is already in place. The house is set back from Glasco Turnpike, with the garage situated further back. The lot is being sold as-is and significant clean up is required. The lot offers a serene and private atmosphere while remaining close to shopping and dining. The location is convenient: just an 8-minute drive to Woodstock town center, a 12minute drive to Saugerties town center, and a 15-minute drive to shopping in Kingston. Opus 40, The Woodstock Day School, and Zena Recreation Park Swim and Tennis Club are all just minutes away.
