365 Wynkoop Rd sits among a handful of well-kept homes just outside historic old Hurley and presents a central location and solid potential for the savvy buyer who is ready to put in some work. From the property you are able to enjoy expansive views of beautifully maintained, organically farmed fields and open sky. There is much value to be realized here and although the house requires significant renovation it has a pleasant flow and a number of period details are still intact. The large, detached garage and .5 acre fenced-in lot offer potential for creative outdoor pursuits and there is a walk-up attic for storage or possible expansion. 2 bedrooms, 1 bath, coming in just under 1000 sf. Notable area amenities include 27-mile O&W Rail Trail access down the street, Hudson Valley Farm Hub's regenerative farming project, and close proximity to Stone Ridge, Kingston, the Thruway, and Woodstock, among other Catskills destinations. Priced to sell, as is. Will likely require cash or renovation loan to purchase.
