Welcome to 58 Peak Road. A quintessential modern Hudson Valley farmhouse nestled 'up the hill' on one of Stone Ridge's most picturesque roads. Set on just under 2 acres of lush woodland that opens to a meadow and lawn with a large stone firepit, this property is filled with multiple, charming outdoor 'rooms' and scenic vistas. Relax on the inviting rocking-chair front porch, where you can take it all in, or choose the back deck, which offers another peaceful spot with a convenient entrance to a large mudroom, complete with built-in closets, cabinetry and skylights. There's also a stunning three-season, screened-in porch that overlooks mature gardens and a quaint shed, perfect for its practicality or an inviting option as a creative space. Inside, the main level features wide-plank wood floors, abundant windows, and an open-concept living and dining area centered around a cozy fireplace with wood-burning insert. The walk-through galley kitchen is thoughtfully designed with custom hardwood cabinetry, granite floors and countertops, high-end Viking range and Sub-Zero refrigerator. A true highlight is the first-floor bright and airy primary bedroom with a vaulted ceiling, skylights, walls of windows, built-in bookshelves, closets, bedside tables and desk, and a mini-split for year-round comfort, adjacent to an en-suite bathroom with more built-ins and secondary access to the mudroom. Upstairs, you'll find two additional bedrooms, one of which could easily serve as a second primary, plus a full bath. At just under 1,600 square feet, the home's thoughtful layout and natural light make the entire living space feel spacious and welcoming. The full basement offers abundant storage, laundry, and houses all mechanicals. A portable generator with a basement hookup, shelving and an affixed work table are also included. Multiple upgrades: new roof, wood stove insert, top tier high efficiency heat pump water heater, bedroom mini-split, portable generator, firepit, and landscaping. And all of this located just five minutes from the shops, restaurants, and other conveniences on Stone Ridge's Main Street Historic District as well as rail trails and Marbletown Meadows; close to Ashokan Reservoir and premier Catskills and Gunks outdoor recreation; only 15-30 minutes to all things Kingston, New Paltz, Rosendale, Woodstock, and the Hudson River. Local favorites like Cherries, Ollie's Pizza, Upstate Taco, Westwind Orchard, and Arrowood Farms are just down the road.
