Welcome to 206 Old Kings Highway, a newly constructed sanctuary in the heart of Stone Ridge that beautifully merges modern design with the natural serenity of the Hudson Valley. Thoughtfully envisioned as a fully electric home, this exquisite retreat invites you to embrace a life of quiet luxury and sustainability—a home that not only looks stunning but feels deeply aligned with your values. Step inside and let the double-height ceilings in the living room take your breath away. Natural light dances through the abundant windows, glass doors, and skylights, creating an atmosphere that is at once uplifting and deeply grounding. Wood beams add an organic warmth, while the open-concept design flows seamlessly from one space to the next—ideal for effortless entertaining or quiet evenings by the fire. The expansive kitchen is an absolute dream, with an oversized island perfect for gathering, slow mornings with coffee, or impromptu dinner parties. Every detail has been considered, from the artisan cabinetry to the top-tier appliances—a space where culinary inspiration comes naturally. A dedicated home office provides a serene environment for work or creative pursuits, while each of the three bedrooms has been designed as its own private oasis. The spa-inspired bathrooms feature soothing finishes and rainfall showers, transforming daily rituals into moments of indulgence. The primary suite feels truly regal, offering a restorative escape that redefines what it means to come home. Step out onto one of two expansive decks, including a rooftop deck that invites sun salutations at sunrise or lingering starlit evenings with friends. The finished walk-out basement offers a versatile space for a home gym, media lounge, or guest level—tailored entirely to your needs. Beyond your doorstep, Stone Ridge offers a lifestyle that is both curated and organic: weekends spent exploring Inness' golf and spa experiences, antique hunting or discovering local makers and artisans. Indulge in farm-to-table dining, local distilleries and breweries, and the simple pleasures that come with living close to nature. 206 Old Kings Highway is not just a home; it's an invitation to a more intentional way of living—where design, wellness and nature come together in perfect harmony.
