Inside, you're tucked into charming spaces or enjoying the expansive Great Room, with a stone fireplace at the center and vaulted ceilings with beautiful exposed beams. A wall of windows frames the view. The two bedrooms are on opposite sides of the cottage, an ideal layout with a full bath at the center. The bathroom has been finished with Waterworks tile, it has a separate soaking tub and large shower with classic, polished nickel hardware. The kitchen is small but lovely, with maple cabinetry and Inax tiles flown in from Japan, and the large dining room offers plenty of room to spread out. Outside, tucked in amongst the perennial garden is a gorgeous sauna and two-person wood fired hot tub, amazing spa amenities to idle away the weekends in peace. This charming cottage is just 2h north of NYC but in a world of your own.
