Private and inviting, this single-level home on 1.86 acres has been lovingly maintained as a second home by its original owner. Located just minutes by car to Woodstock Village, this turnkey ranch is surrounded by lawns, seasonal flowers, and forest. Designed for both comfort and entertaining, the home offers three bedrooms, two full baths, and a beautiful flow from the living room to the eat-in kitchen, dining area, porch, and deck. The living room is especially bright and welcoming with its oversized windows and wood details. Glass doors between the living room and dining area let in light and lead to the spacious screened-in porch and wraparound deck. In warm weather, imagine relaxing in Adirondack chairs and grilling outdoors, then heading to the porch to spend a pleasant evening with family or friends. In cooler weather, you might want to curl up with a book in the living room with a fire going in the fireplace. Charming elements, such as small stained-glass windows, make the home extra-special. There's a full bath in the primary bedroom, plus a second full bath and separate area for the washer/dryer and home systems. Other highlights include a large pantry and plenty of closets. Great location near Woodstock, Saugerties, and Kingston. Rhinebeck and the Rhinecliff Amtrak station are 30 minutes away.
