Since we dramatically lowered the price on this home, there has been great interest and a couple of offers. For this reason, we are postponing a decision on the offers at least until Monday December 15th Great fixer-upper in quiet country neighborhood. A new addition, doubling the size of the original home, is nearly finished. A new large tiled bathroom is part of the new construction. The parcel of land is nearly 500 feet deep, providing an area behind the home with space for a large garden and or private retreat. The entire roof was replaced at the time the new addition was started. Assessment has been lowered so taxes should be less. Broker is owner. ----- Seller can hold mortgage.
