Executive Ranch - Modern Comfort Meets Timeless Style Welcome to 2084 Route 32, a beautifully renovated executive ranch that blends contemporary upgrades with classic single-level living. This turn-key home has been thoughtfully reimagined from top to bottom, featuring brand-new windows that bathe each room in natural light, fresh flooring throughout, and a crisp, modern aesthetic. Spacious primary suite on one side, and the other bedrooms are on the other side of the house for privacy. The heart of the home opens to a spacious living area that flows seamlessly into the kitchen and dining space—perfect for both everyday living and entertaining. Step outside to the expansive back deck, ideal for summer gatherings or a quiet morning coffee, all overlooking a lush backyard that offers both beauty and privacy. Off the primary suite is an enclosed porch that's heated that could be used as a gym or office space. Additional highlights include a two-car garage for convenience and storage, energy-efficient updates, and a location just minutes from the vibrant shops, dining, and cultural attractions of Saugerties, as well as easy access to the NYS Thruway. The garages that are not attached to the house are on a separate SBL and are not included in the sale. But the possibility does exist if interested, we could be negotiating them separately.
