Located just a short stroll from vibrant Uptown Kingston, this two-bedroom, one-bath home combines solid craftsmanship complimented by a long list of recent renovations. Since 2020, the current owner has carefully invested in extensive updates that preserve the home's integrity while enhancing its aesthetic and efficiency. The entire structure has been professionally repointed, ensuring structural soundness and longevity. Modern improvements include brand-new mini-split systems for year-round heating and cooling, upgraded electric, and a beautifully renovated kitchen and bathroom. Gleaming hardwood floors flow throughout the living spaces. The dry walkout basement has a gas fireplace, and could be finished to provide additional square footage. Step outdoors onto the recently refinished back deck overlooking the fully fenced, 145' deep yard. New hardscaping includes sidewalks and a handsome bluestone patio. This home is a Kingston gem.
