This well maintained split level home is located in the Hudson Valley, and in one of Kingston's most desirable neighborhoods, minutes away to shopping, schools, art galleries, historic districts, Hudson River and major highways. The spacious backyard oasis with it's covered stone patio, stone BBQ kitchen area, peaceful water feature and firepit is perfect for large gatherings or a retreat from busy days while enjoying your favorite drink. It is designed for seamless indoor-outdoor entertaining. And- you also have your very own apple tree waiting for you to pick and bake those delicious apple pies. During the summer months, the newly installed central air conditioning perfectly cools the home for your relaxation. This home is complemented by 3 bedrooms, 1 full and one half bath(w/shower) plus a spacious lower level family room that has access to the large laundry room and one car garage. The kitchen was modernized with high end cabinets, counter tops and a custom made marble dining table to accommodate large family dinners. The living room is cozy and flows seamlessly into the dining area and kitchen which is a perfect design for entertaining. The original exterior siding was replaced with Hardie Board which is long lasting, and low maintenance for your peace of mind and continued beauty. Whether your first home, looking to relocate, or for a weekend retreat, this is perfect. So, what are you waiting for? Call today for an appointment
