Live in a historic building in Woodstock; The Mountain House. This 5 unit building is only 1 mile to the village green and 1.7 miles to the Overlook Mountain Hike and the KTD Buddhist Monastery. A real artist haven, the complex has been home now or once was home to many great artists- best selling authors, musicians, painters and a cartoonist. The unit for rent has its own entrance and covered porch, 3 beds, 1 large bath with a washer and dryer, an eat-in kitchen and bright and sunny living room. It feels like its own house and not an apartment at all. Their are high beamed ceilings throughout, plenty of closets and several windows bringing in the nature all around to the inside. Enjoy the yard right outside your front door, or reading on your porch and listening to the sounds of the stream that boarders the property (when flowing at full pace) or hang out at the fire pit on the property. The landlord is fine with anyone who would like to plant their own flower or vegetable garden near their apartment. Each unit comes with a parking space and there is also guest parking available. This is classic Woodstock living at its best. Call listing agent, Rose Noone, for more information and appointments.
