Hudson Valley Catskill Region MLS

A Private 10-Acre Estate in the Heart of the Hudson Valley Tucked away at the end of a quiet country lane, this Cape Cod-style Colonial was crafted in 2003 by esteemed builder Jeremy Wells. Resting on ten pristine acres in Stone Ridge, the home combines timeless architecture, cedar shake details, and rock-solid construction with masterfully designed grounds for a lifestyle defined by elegance, privacy, and ease. The approach reveals manicured French gardens by renowned landscape architect Martin Berlinger, anchored by a sculptural fountain, meandering paths, and a Japanese garden retreat. A seasonal stream flows through the wooded acreage, enhancing the sense of seclusion. Inside, soaring cathedral ceilings greet you at the entry. Light pours through expansive Pella windows, framing garden views and filling every room with warmth. The home offers 3 bedrooms and 2.5 baths, including a serene primary suite with his-and-hers closets and vanities. At the heart of the home is a chef's kitchen with central island, custom cherry cabinetry, and stainless steel appliances, opening seamlessly to dining and entertaining areas. The living room centers around a push-to-start gas fireplace that can also burn wood—perfect for cozy evenings. Additional highlights include a spa-like bath with jetted tub, a partially finished basement with ample storage and flexible space, and a two-car garage. Outdoor living is complete with a sunny deck, inviting front porch, and a storage shed for tools and equipment. Set amid mature woodlands yet just minutes from Route 209, this property offers total privacy without sacrificing proximity to Stone Ridge, High Falls, and Kingston's cultural and dining scene. Whether as a full-time residence or weekend retreat, 189 Bush Road is a rare opportunity to own a builder-crafted home with signature gardens on one of the Hudson Valley's most picturesque landscapes.
