Missed your chance the first time? Here's your second chance! This original 1989 Lindal Cedar Home is back on the market and ready for someone with vision. Due to unforeseen life changes, the current owner began exploratory renovation that could not be completed. Moldings have been removed, studs are marked, and there are visible openings in the walls, so the home definitely looks worse than it is. But beneath the surface, the coveted Lindal cedar construction, soaring ceilings, and dramatic picture windows are all still here, waiting to be brought back to life. Set on over four wooded acres in Rhinebeck, the property offers privacy, native plantings, and a winding drive that leads to an oversized covered patio. Inside, the living room welcomes you with vaulted ceilings, a wood stove hookup, and a walkout deck overlooking the trees. Upstairs, an airy loft landing is perfect for a home office or studio space, with three bedrooms and a full bath completing the second level. For the right buyer, this is more than a project it's a chance to create a stunning upstate retreat in one of the Hudson Valley's most sought-after locations. CASH OR RENO LOAN ONLY, will not qualify for conventional. Located just 10 minutes from Montgomery Street in Rhinebeck, 5 minutes from the Parkway, 35 minutes from Hudson, and 2.5 hours from New York City. Sold As-Is
