In one of the county's most coveted locations, 826 Buck Road is a charming Cape Cod-style home filled with warmth and light. The interiors are thoughtfully arranged, with two comfortable and light-filled bedrooms and a full bath on the main floor with two additional bedrooms upstairs, including a generously sized primary and a newly renovated bath. Hardwood floors lend character throughout, and a fireplace in the living room creates an inviting gathering place. The eat-in kitchen opens to a glassed addition which looks out onto a dramatic copse of mature ferns, creating a private sanctuary. The home has been lovingly maintained, blending classic style with the ease of move-in readiness. A full walk-out basement provides abundant storage as well as potential for finishing, should more space be desired. Outside, nearly two acres provide room to breathe. Whether it's a quiet morning coffee on the front porch or an evening gathering on the side deck, the setting offers space to unwind and connect. A broad stretch of lawn is bordered by mature trees, with a small shed tucked along the edge and woods beyond. It's a private landscape on a quiet road that suits gardening, play, or simply enjoying the natural beauty around you. The setting is peaceful yet close to the very best of the Hudson Valley. 10 minutes to all your daily needs in the center of Stone Ridge and only 25 minutes to Kingston, Woodstock, and New Paltz, this property offers both tranquility and convenience in equal measure.
