ACCEPTED OFFER 12/09/2025 Rarely available antique farmhouse offering history, privacy, and seasonal Ashokan Reservoir views—just minutes from Woodstock and Kingston yet tucked away on 6.9 acres. Once Glenford's post office under the Lennox family, this pre-1900 home blends timeless character with thoughtful updates. Light-filled interiors feature unusually high ceilings [on the main levell for its era, hand-cut oak and hemlock beams, and a spacious living room anchored by a cast-iron stove. A versatile main-level suite with private entrance and bath access works beautifully as a guest or in-law suite, or even a separate workspace. Outdoors, enjoy a wraparound porch, trails, gardens, and bordering DEP land for lasting privacy. A higher site on the property reveals even more expansive Ashokan views. Benefits include a newer DEP-installed septic system plus both drilled and spring wells and a whole house generator plus an owned solar array. A farmhouse with a story to tell—private yet convenient, historic yet practical, down to the second staircase.
