

14 Janet Street
 Kingston, NY 12401
 For Sale: \$479,900

Type:	Single Family
MLS#:	20254838
Square Footage:	0
Taxes:	\$8,253
Year Built:	1930

Just what you have been wishing for! Kingston gem located in the vibrant uptown stockade district within walking distance to a host of restaurants and shops, Trailways bus station, Dietz Stadium, the rail trail, Upac performing arts center and public library. Property has not been offered in approximately 47 years, located on a residential block. As you enter you are greeted with the feeling of warmth and character with an open living room, brick fireplace, beamed ceiling and French doors to a 3-season room, which has lots of natural light with all the windows. The living room and dining room have wood floors and an open floor plan. Kitchen is L shaped and has wood cabinets, dated but very livable. Off the kitchen is a large family room with a full bath and separate entrance that also could be used as a main bedroom. The second floor has 3 bedrooms and a full bath and walk-up floored attic. Two bedrooms have hardwood floors, and the other has brand new carpet. The double wooden staircase leads to the kitchen area, the living room area and the second floor. There is a finished area in the basement with a half bath and has a separate exterior door. Lots of room to move the washer/dryer down. Backyard big enough for a garden, relaxing and your BBQ so not a lot of lawn maintenance to deal with. Updates include new carpet in one bedroom, family room and full bath just painted, garage roof and 3 season room roof new in 2025, main house roof 2012, Boiler 2010, hot water heater 2005 and new pipes running from house to street approx. 2021.
