Type: Single Family

MLS#: 922404

Square Footage: 4,365

Year Built: 1900

A rare opportunity to own .66 acres in the heart of historic Rhinebeck Village. Currently divided into two adjoining parcels, the property is ready for restoration and new life. Once a late 19th century homestead, this special property retains its rich character with the original Victorian residence, barn, and blacksmith's open barn still standing. Imagine creating your own village compound — the Victorian home beautifully restored, and the barn house transformed into a guest cottage, studio, home office, or enjoy rental income from one while living in the other — the possibilities are endless. With village approvals in place for the driveway and site plan, this property is primed for transformation — all that's missing is your vision. Surrounded by the charm of the village, and just two blocks away from the farmers market, restaurants and shops; the location is the ideal. Less than 3 miles to the Rhinecliff Amtrack Train Station. This is a rare chance to combine history, convenience, and potential — all in one exceptional village location.
