Beautiful 3-bedroom, 2.5-bath Colonial on 3 private acres, close to the end of quiet dead-end road. A bright, welcoming foyer with soaring cathedral ceilings leads into a formal living room and dining room on one side, and a comfortable family room opening to the kitchen on the other. Also on the main level: a dedicated laundry room and a staircase to 300 sq ft of finished extra space above the garage — perfect for a home gym, studio, playroom, or flexible use. Upstairs the primary suite features a walk-in closet and full bath, accompanied by two additional bedrooms and a home office/4th bedroom for added flexibility. From the front of the home you'll enjoy sweeping views of the Shawangunk Ridge (often locally called "the Gunks"), giving you that classic Hudson Valley mountain backdrop that makes New Paltz such a special place. The back of the house opens onto a deck overlooking the wooded, private acreage — your quiet retreat from it all. Located just minutes from the Village of New Paltz with its vibrant dining scene, boutiques, and community spirit, and mere moments from the Mohonk Preserve and other hiking/biking trail networks for which the region is famous. This is your chance to combine space, comfort, flexibility and outstanding location.
