This stunning home offers the perfect blend of comfort, elegance, and functionality. A floor-to-ceiling stone fireplace creates a dramatic focal point in the spacious living area, filled with natural light from large windows and skylights. The impeccably maintained hardwood floors add warmth and character throughout. With four bedrooms plus an additional room currently used as an office, there's space for everyone. The expansive primary suite features two separate walk-in closets and a luxurious feel throughout. Kitchen is well appointed with multiple built in ovens as well as newer stainless appliances and quartz countertops. The lower level offers a laundry room, recreation room, and a large family-style room complete with a bar and built-in window benches—perfect for cozy evenings or entertaining year-round. A whole-house generator ensures peace of mind during power outages, and the immaculate garage with tiled floors adds to the home's impressive presentation. Outdoors, the home is designed for entertaining and relaxation. Paver-lined driveways and patios surround a sparkling heated in-ground pool—ideal for summer gatherings with multiple areas for guests to spread out and enjoy. The screened-in side porch opens directly to the pool area, providing a seamless indoor-outdoor flow. Grass will always be green with the sprinkler system that was installed. Located in the Elmendorf Heights subdivision which is close to Old Town of Hurley (lots of stone houses) as well as Uptown Kingston. This home offers both beauty and value.
