This move-in ready Kingston home has been lovingly cared for by the same family for over 50 years. Recent improvements include brand new windows throughout, and new durable vinyl flooring. A fresh coat of interior paint creates a bright, blank palette for your personal touches. Upstairs, two of the bedrooms feature a railroad-style layout—ideal for a connected dressing room, office, or nursery. There is a full bath on each floor. Out back you will find a covered patio area and a new shed in the fenced yard. The location is unbeatable: just steps from the Kingston Greenline Rail Trail and within close proximity to schools, hospitals and popular Midtown eateries—making everyday convenience a breeze. Prior to it's current ownership, this home was once configured as a two-unit property. With proper zoning and approvals, the layout could potentially be restored to offer an excellent income-producing opportunity for an investor or owner-occupant.
