After thoughtful buyer feedback and a winter that slowed momentum across the region, the home has been repriced. The new price creates real flexibility for those who want to make updates overtime while still being able to purchase a beautiful property in one of the most sought after hamlets in the Hudson Valley. The best thing about 15 Royal Oak... You do not have to do a single thing to move in comfortably. The home has been lovingly maintained. Appliances have all been replaced within the last ten years. The kitchen is spotless and fully functional. A brand new UV light water treatment system and new oil tank has just been installed. Modernize at your pace. Or simply enjoy it as it is. Royal Oak Road is a quiet cul de sac with only six homes. The property extends into the woods to a creek at the bottom offering privacy and a peaceful natural backdrop. The yard receives generous midday sun and has supported a beautiful garden, with potential to expand usable space by selectively clearing trees if desired. When spring comes the now hidden beauty of its location will finally show itself. Convenient to the New York State Thruway and central to farms, farmers markets, skiing, golf, and everything the region is known for, the location works equally well as a weekend retreat or a full time move. Whether you are looking for a weekend escape, a move from the city, or a home to settle into for years to come, this is a property with flexibility, privacy, and long term value. Set between the Shawangunk Ridge and the Catskill Mountains, Stone Ridge is one of the Hudson Valley's most scenic and historic hamlets. The landscape is defined by open farmland, wooded hills, and some of the region's oldest stone homes, many dating back to the 1700s. Stone Ridge has long been known for its vibrant creative community. Artists, writers, performers, and members of the film and television industry are drawn to the area for its natural beauty and quiet privacy. In recent years, the Hudson Valley has also become an active location for film and television production, adding to the area's creative energy. The hamlet is also home to SUNY Ulster reflecting the region's strong connection to higher education and academics. Education, the arts, and agriculture all intersect here in a way that gives Stone Ridge depth and character. Stone Ridge offers something rare: history, creativity, natural beauty, and a strong sense of community, all within reach of the city. It is a place many discover for a weekend and ultimately choose to call home. The house is a family trust and is a "as is" sale. Thank you
