The Will Tremper House is a thoughtfully designed contemporary residence offering over 3,000 square feet of refined living space, with four bedrooms and two-and-a-half baths. Beyond the entry hall, a dramatic great room unfolds with soaring double-height ceilings, custom light fixtures, and a sleek, touch-activated fireplace that anchors the space. The main level is designed for both everyday living and entertaining, featuring an open dining area and a well-appointed kitchen with a center island and handcrafted Zellige tile backsplash. A front office is richly color-drenched in custom Farrow & Ball paint and includes bespoke built-ins and a striking rainbow glass pendant imported from Turkey. The primary suite is conveniently located on the main floor and features a walk-in closet and an en-suite bath. A laundry room sits perfectly positioned between the kitchen and the oversized attached garage. Upstairs, three additional bedrooms and a full bath are complemented by a sun-filled bonus room, currently configured as a gym. The lower level offers 9-foot ceilings and an additional 1,200 square feet of finished space, with egress windows that bring in abundant natural light. Set on over 20 acres, the property offers privacy while remaining just minutes from the heart of Rhinebeck and the shops, dining, and cultural amenities that define the village. A fenced garden with 6 raised beds and perennial berry bushes is ready for Spring.
