Hurley, NY 12443
For Sale: \$539,000

Type:	Single Family
MLS#:	947607
Square Footage:	2,772
Year Built:	2002

Set on a quiet residential street just minutes from Uptown Kingston, this well maintained Hilltop Drive home offers a classic split-level layout with plenty of room to spread out and live comfortably. The location is perfect to enjoy the best of Hudson Valley living—peaceful surroundings with easy access to necessities and destinations. The main level features a sun-filled living room with oversized windows, a formal dining room, and an open-concept kitchen with an eat-in area. A convenient laundry room and half bath complete this floor. The upper level hosts a generous primary suite with a full en-suite bath and walk-in closet, along with three additional well-sized bedrooms and a full hall bath with tub. Off the two-car garage is a finished space with sliding doors leading to the backyard and deck—perfect for a family room, den, home office, or recreation space. Excellent closet space is found throughout the home, along with a dry, full walk-out basement offering abundant storage and future potential. Out back, take in the partial West facing views towards the Hurley Ridge. Enjoy close proximity to the charming historic village of Old Hurley, the restaurants and shops of the Stockade District, and less than a 5 minute drive to the NYS thruway.
