A truly one-of-a-kind residence and rare opportunity, this exceptional home offers a seamless blend of architecture and art in the heart of Woodstock, walking distance to Tinker Street, yet set privately on 1.73 secluded acres just minutes from the village. Designed as a fusion of a Frank Lloyd Wright–inspired contemporary addition and an original Buckminster Fuller–style geodesic dome, the property delivers over 3,300 sq. ft. of light-filled living space with remarkable character and a spacious, flexible layout ideal for both everyday living, work-from-home, and the Hudson Valley lifestyle. Open hardwood floors, soaring Douglas fir ceilings, and walls of windows create an effortless indoor–outdoor flow overlooking the natural landscape. A lofted gallery office leads to the primary suite with private gas stove, steam shower, dual vanities, and a generous walk-in closet. With three well-appointed bedroom suites in the downstairs wing, including two additional guest suites on the lower level, the home offers privacy and comfort for residents and guests alike. Each lower-level suite features a private bath and direct access to the outdoor space and stone patio. The original dome includes a separate entrance, full bath, modern kitchen, and wood-burning stove, ideal for a studio, guest space, or additional living area. A Central Park–style gazebo and mature grounds complete this serene setting. Embrace the luxury of living within walking distance to Woodstock’s renowned dining, galleries, and music venues while maintaining exceptional privacy. A rare offering. Furnished option available.
