Welcome to 18 Country Club Lane. Located less than half a mile from the picturesque Village of Woodstock, this thoughtfully reimagined property offers easy access to shops, restaurants, fitness studios, playgrounds, and nearby nature trails, all just minutes from your front door. Designed by architects, the half-acre property includes two buildings and blends comfort, character, and modern updates with care. The main house opens to a fully enclosed, sun-filled porch, ideal as a mudroom or flexible entry space. Inside, the updated living, dining, and kitchen areas are unified by exposed beams, vaulted ceilings, and knotty pine details, creating a warm, inviting atmosphere. The open kitchen is both stylish and functional, featuring quartz countertops, custom cabinetry with generous storage, high-end appliances including a dishwasher and smart refrigerator, and a dedicated pantry or coffee bar. Oversized picture windows frame the surrounding woods and offer seasonal mountain views, bringing the outdoors in. Two well-proportioned bedrooms feature vaulted ceilings, custom closets, and adjacent bathrooms. Both bathrooms have been tastefully redesigned, with the primary bath offering terrazzo tile, a double-sink vanity, an en-suite soaking tub, and a walk-in shower. Adjacent to the main house is a year-round studio building, well-suited for a home office, art or music studio, or flexible creative space. The studio includes cabinetry, a refrigerator, and two separate rooms, with potential to add a bathroom and water, subject to town approval. This is a rare opportunity to enjoy privacy and thoughtful design within a vibrant community. The property is also conveniently located near Kingston and Saugerties, and offers easy access to the Catskill Mountains for winter recreation, hiking, and fishing, making it an ideal full-time residence or retreat in the heart of the Hudson Valley. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
