Year Built:	2007

Set in a beautiful rural landscape on 20.677 acres with seasonal views of Silver Lake, this inviting property captures the essence of Hudson Valley living--peaceful, scenic, and just a short drive to the Village of Rhinebeck. Built in 2007, the thoughtfully designed home offers over 4,000 square feet of comfortable living space with 4 bedrooms and 4.5 baths, complemented by a detached 8 car garage with studio space above. A covered porch welcomes you into the home's entry, opening to a spacious living room that serves as the heart of the house. Here, soaring 18-foot ceilings, a dramatic two-story slate-surround fireplace with woodstove insert, and two French doors leading to a large wraparound deck create an ideal setting for both everyday living and entertaining. The chef's kitchen provides a large center island, high end appliances, and looks out into the dining/living room. The first-floor primary suite provides a private retreat with two walk-in closets and a spa-like bath featuring a large walk-in shower and Jacuzzi tub. The main level also includes a den, half bath, laundry room, and accesses the attached 2-car garage. Upstairs are two additional bedrooms, a full bath, and a generous 12' x 23' additional room well suited for a home office, studio, or media space. The finished basement further expands the living area with a family room, wine room, sauna, and full bath. A standout feature of the property is the impressive 1,728 square foot detached two-bay garage with capacity for 8 cars plus a carport, constructed in 2021. Ideal for car enthusiasts, collectors, or those seeking flexible workspace, one bay features two lifts and an exceptional 14'8" ceiling height. The entire structure is equipped with heat and AC, has a rear covered porch, expansive loft/attic storage, and its own Generac generator. Additional highlights include a fenced dog run, shed, whole-house Generac generator and rights to Silver Lake--making this a rare offering that blends comfort, privacy, and ideal location.
