Seasonal Hudson River views, modern design, and an unbeatable Kingston location come together in this beautifully renovated home that captures the essence of Hudson Valley living. Set across three levels, including a finished lower level, the home offers three bedrooms plus a dedicated office, providing flexible space for remote work, guests, or creative pursuits. The main living space is filled with natural light and flows into an architect designed open kitchen where modern finishes and thoughtful craftsmanship create a warm and sophisticated gathering place. The finished lower level expands the living space with a welcoming family room anchored by a fireplace, the perfect setting for cozy evenings after a day along the river. A spacious wellness and fitness room offers room for a gym and the potential to add a hot tub or sauna, giving the next owner the opportunity to design a private retreat. Life here extends well beyond the walls of the home. Watch bald eagles glide over the Hudson and settle into the surrounding trees, take an easy walk to the lighthouse or the waterfront park, or head into Kingston's historic district to enjoy the marina, restaurants, galleries, and local shops. Equally suited for full time living or a weekend escape from urban life this home offers the rare combination of modern comfort, natural beauty, and walkable access to Kingston's vibrant waterfront and downtown.
