Welcome to The Delano House—a meticulously maintained, quietly elegant home set among old-growth trees in a peaceful neighborhood just seven minutes from the Village of Rhinebeck. Offering nearly 3,600 square feet of living space, the home features four bedrooms and two-and-a-half baths, with hardwood floors throughout and two wood-burning fireplaces anchoring the main living areas. A classic center hall layout creates an easy, natural flow. To the right, a formal dining room; to the left, a gracious living room with four oversized windows and a striking brick fireplace. Just beyond, a cozy breakfast nook opens to the kitchen, forming a warm and connected heart of the home. The kitchen is both refined and functional, with soapstone countertops, an induction range, vaulted ceilings, and substantial brass pendant lighting that lends a sculptural presence to the space. A west-facing sunroom completes the main level, lined on two sides with windows and centered around a second wood-burning fireplace—an ideal spot for afternoon light and sunset evenings. A powder room and dedicated laundry room round out the floor. Upstairs, the primary suite is bright and expansive, with an ensuite bath and dual walk-in closets. Three additional bedrooms and a full bath with subway tile complete the second floor. A substantial bonus room offers flexibility for a home office, gym, playroom, or media space. Outside, a large, flat front yard is set within a quiet, well-established neighborhood in the Rhinebeck school district. Just 10 minutes to the Rhinecliff Amtrak station and under two hours from NYC, the location offers an easy balance of privacy and accessibility.
