Offer Accepted on 4/16/2026. Welcome to this well-maintained Raised ranch nestled high atop a hill in a quiet, well-established neighborhood at the end of a peaceful dead-end road. This inviting home offers 2 bedrooms, a versatile office space, and 1 bathroom--perfect for comfortable living. Step inside to enjoy new carpeting throughout and fresh vinyl flooring in the kitchen, creating a bright and welcoming atmosphere, the living room features a wood burning fireplace to warm by on those chilly days. The spacious lower level features tiled flooring and direct access to the garage, allowing convenient in-and-out access without stepping outside. This lower level also houses the laundry area and mechanicals, providing an ideal spot for crafts, hobbies, or ample storage. Outside, take advantage of the included extra quarter-acre lot--great for gardening, adding a gazebo, or simply enjoying the outdoors surrounded by nature. Relax and enjoy serene seasonal views during the winter months. Additional highlights include central air conditioning and a paved driveway, ensuring comfort and easy access year-round. Don't miss out on this delightful home offering space & convenience!
